1st Years -

Notes App

Summary - These days, digital notes are booming so create a basic notes app in which user(s) can enter and store any useful information which can be seen or edited later in **any app development-related tech stack**.

Required Tasks-

- Your application should have a feature to add multiple notes.
- It should allow users to edit and delete the notes.
- It should store the data given by the user(s).
- The project should be uploaded to your GitHub repository.

Bonus Tasks -

- The application should have a functional 'Switch to dark mode' feature.
- Any additional features/functionalities you want to implement. The sky is your limit.

Judging Base -

- Interactive, organized, and aesthetic UI.
- Easy-to-understand Code

2nd/3rd Years -

Sticky Notes App

Summary - These days, digital notes are booming so create a sticky notes app in which user(s) can enter and store any useful information which can be seen even on the homepage or edited later in **any app development-related tech stack**.

Required Tasks-

- Your application should have a feature to add multiple notes.
- It should allow users to edit and delete the notes.
- It should allow users to log in/sign up.
- It should have at least a widget to show recent notes.
- The application should store the data given by the user(s) in any database local or cloud.
- Your project should be uploaded and properly released on Github.

Bonus Tasks -

- Your application should have a functional 'Switch to dark mode' feature.
- It should be more time-efficient. (Hint: By integrating local and cloud storage).
- Any additional features/functionalities you want to implement. The sky is your limit.

Judging Base -

- Interactive and aesthetic UI.
- The efficiency of your application.
- Easy-to-understand Code

***Note: Candidates are requested not to copy as such from the online sources, it can be used as a reference. Also, copying from the other candidates is not allowed, doing so will result in direct disqualification., On the basis of the 2nd round results, the final round will be taken.**
